

Changing

One Life at a Time...

As you can see, there are many ministry opportunities here at United in Christ,

and we believe that each of God's children have special gifts needed to fulfill these ministries, and the Lord wants to use them mightily.

If this will be your first mission trip with us and you would like additional information, please contact us; we would be happy to give you any information or to answer any questions that you may have.

We look forward to scheduling your trip!

How, then, can they call on the One they have not believed in? And how can they believe in the One of whom they have not heard? And how can they hear without someone preaching to them? And how can anyone preach unless they are sent? As it is written: "How beautiful are the feet of those who bring good news!"

MISSIONS

"Therefore go and make
disciples of all nations..."

– Matthew 18:20

SHORT-TERM TRIPS

United in Christ offers a wide variety of opportunities for those who desire to experience cross cultural missions for 1-2 weeks.

- The STM Trips are perfect for those who are still in school, or perhaps have a career to return to back home, but still want to be used by God to reach the lost.
- Great for families as well; they bring the families members closer together and closer to God at the same time.
- Its a wise choice for Christians who want to find their “place” in the Body of Christ. With a chance to operate in the gifts the Lord has given, in just about every area of ministry, a short-term trip can and will confirm the call a person has on their life.

MISSIONARIES

For those who already know that they have a permanent call to missions, United in Christ has many open positions!

The Lord is now opening doors to countries outside of Mexico, and the time is coming soon to send out full-time missionaries. While some are still needed in the U.S. and Mexico, this is an exciting development in what God is doing through this ministry.

If you have an interest in becoming a missionary full-time, please contact us! God is doing mighty things through his ministry here at United in Christ.

MISSIONS INTERNS

We also have an amazing opportunity for young people wanting to experience “authentic” life in the ministry. Missionary Interns are pre-career young people, ages 18 and up, who desire to do the work of the ministry. This is also for those who need to fulfill practical training for the ministry school.

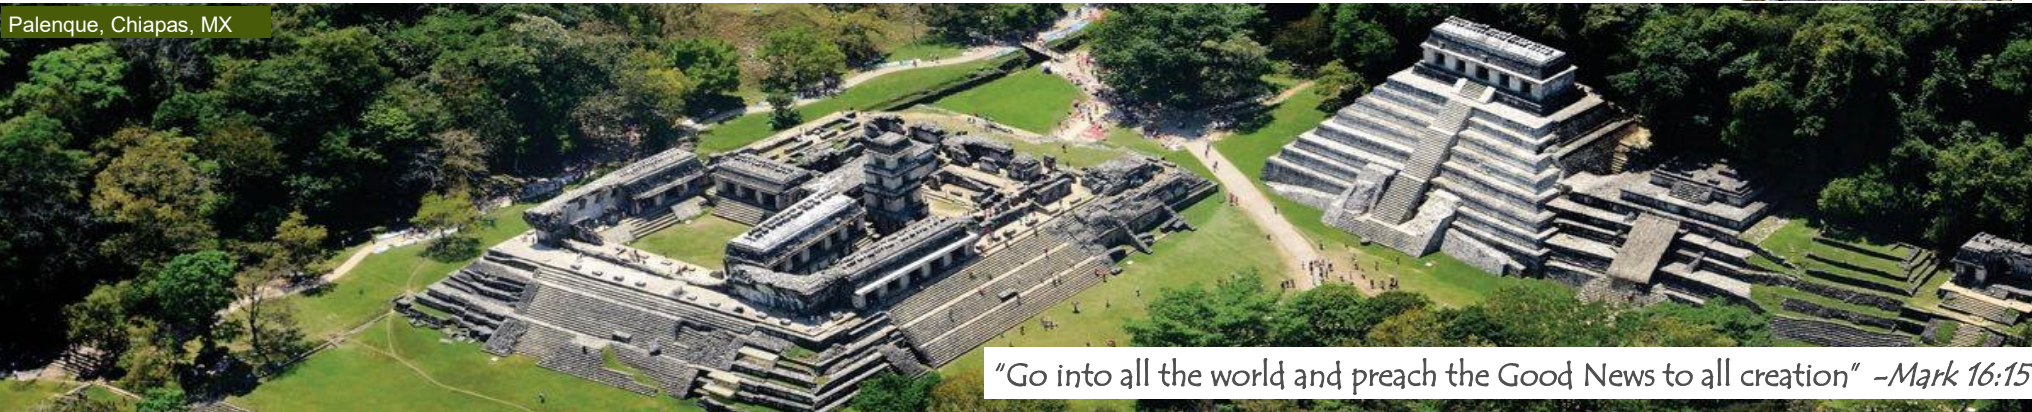

This is a great way to learn how the ministry works, and to see how God moves in and through a ministry over a period of time. It is also an amazing chance to grow spiritually, learn the gifts that God has given you, and to know whether your calling is a full-time minister or not.

You will also get a taste of the “real, raw” Mexico— not a softened or scheduled one. You will see the real needs that are there and do something about it!

Being a missionary Intern will change your life!
